## EDUCATION

2022 - 2026  
AJEENKYA D Y PATIL UNIVERSITY

- Bachelor of Technology (AI & DS)
- GPA: 8.4 (Upto Sem 6)

## TECHNICAL SKILLS

- Python
- MySQL
- Docker
- CI/CD Pipeline
- Data Analysis
- Machine Learning
- AI Frameworks
- Tableau
- Data Visualization
- R Programming
- Automation

## LANGUAGES

- English: Fluent
- Hindi: Fluent
- Marathi: Fluent
- Russian: Basics

## SKILLS & ABILITIES

- Communication & Presentation Skills
- Adaptive & Punctual
- Active & Organized

## PROFILE SUMMARY

### Aspiring AI and Data Science Professional | Graduating in 2026

I am a dedicated and forward-thinking individual with a strong passion for applying Artificial Intelligence and Data Science to tackle real-world challenges. Skilled in Python, SQL, and Docker, I have hands-on experience building projects and a foundational understanding of CI/CD pipelines. Complementing my technical expertise, I hold certifications in Frontend and Backend Development, showcasing my versatility.

I thrive in collaborative environments and am committed to continuous growth in the tech industry. Eager to contribute to innovative projects, I aim to refine my skills and drive impactful solutions in AI and Data Science.

## WORK EXPERIENCE

### TechnoHacks EdTech

02/2024-03/2024

#### Web Development Intern

- Streamlined and organized files, spreadsheets, and reports, enhancing data accessibility and operational efficiency.
- Collaborated with cross-functional teams to analyze complex problems and develop innovative, data-driven solutions.
- Delivered engaging presentations on project outcomes, fostering knowledge sharing and team alignment.
- Designed and developed a responsive landing page, optimizing user experience and interface functionality.
- Revamped CSS and JavaScript functionalities to improve code performance, maintainability, and user interactivity.

## PROJECT'S

- Restaurant Website : HTML, CSS & JS
- GUI Calculator using Python : Python
- VaahanGuruji : A Car Price predictor using Machine Learning : Python, MySQL
- Crop Price & Harvest Predictor Using Machine Learning : Python
- GradeSync.io : HTML . CSS & JS

## RESEARCH PAPER'S

- Implementation of UPI Abroad
- Impact of Recession on Market's
- Research on Analysis of International Tourists in India
- Applications of Minimum Spanning Trees in Efficient Urban Transportation Systems & Electricity Grid Supply
